

**Tender No. PD23000219 (the "Tender")**

Energy Infrastructures Ltd. / Oil Products Pipeline Ltd. (hereinafter the "**Company**") seeks to receive bids ("**Bids**") from qualified potential bidders ("**Bidders**") complying with the preliminary conditions stated in the tender documents available on the Company's website at [www.pei.co.il](http://www.pei.co.il) (the "**Tender Documents**"), for the purchase by the Company of two multi-stage, **Horizontal BB3-type Centrifugal Pumps** as specified in the Tender Documents (the "**Goods**").

This notice is provided for the convenience of Bidders. It is not intended to express or be referred to in the interpretation of the binding terms and conditions of the Tender and/or the Contract, which terms and conditions shall be solely as expressed in the Tender Documents. Capitalized terms in this notice not otherwise defined herein have the meanings ascribed to those terms in the Tender Documents.

The Goods shall be supplied DDP Ashkelon Company's warehouse (Incoterms 2010), within 45 weeks of receipt of an Order as defined therein.

1. The Tender Documents include the following requirements:

- 1.1. The Goods must be manufactured at a production site located in an EU or OECD member country, by a manufacturer which produced no less than 5 Goods (per year) of the type regarding which it is proposed (in the bid) to be a Manufacturer (i.e., Horizontal BB3 type Centrifugal Pumps) with flow and pressure deviation of +/- 10%, at the production site at which it is proposed (in its bid) that its manufacturing stage or process regarding the Goods shall take place, and successfully supplied them to customer(s) in an OECD or EU member country(ies), during the three (3)-year period prior to the Submission Deadline.
  - 1.2. Bidders must have an official representation in the State of Israel. A representation can be considered as an Israeli-based company which would serve as a liaison between the Company and the Bidder
  - 1.3. Bidder must submit a valid API approval certification for the manufacturing of API-610 pumps
  - 1.4. The Bidder's shareholders' equity as of 31 December 2021 must have been positive.
  - 1.5. The Goods must meet the requirements of the Technical Specifications in their entirety, to the Company's satisfaction.
  - 1.6. If the Bidder is an Israeli person or entity, it must possess valid approvals pursuant to the provisions of the Public Bodies Transactions Law, 5736-1976.
2. Bidders must attach to their Bids all documents proving fulfillment of the above preliminary conditions, as specified in the Tender Documents.

3. Applications must be placed in the Company's tender box, at the Company's offices at 3 Hasadna'ot Street, Herzeliya Industrial Zone 4672830, ISRAEL, or received electronically in the inbox of the Company's dedicated email address at [tender219-23@pei.co.il](mailto:tender219-23@pei.co.il), by no later than March 22, 2023.
4. The Tender Documents are available on the Company's website ([www.pei.co.il](http://www.pei.co.il)). Potential Applicants/Bidders are instructed to register at the Company's website in order to receive updates, announcements, clarifications etc. regarding the Tender. Said registration shall be the responsibility solely of the Applicants/Bidders, and all notices, updates, announcements, clarifications and/or amendments made available to registered Applicants/Bidders thereby shall be deemed received by all Applicants/Bidders upon such publication.
5. The Company does not undertake to accept any Application/Bid, and reserves the right to reject any Application/Bid or all of them.
6. This notice is also being published on the Company's website in English, Hebrew and Arabic as well as in an Arabic language newspaper; however the binding language shall be English. For inquiries: Mrs. Talmor Sela: [purchasebid@pei.co.il](mailto:purchasebid@pei.co.il).
